

GMS at Wuhan Brewing Technical Academy 20th anniversary seminar

Global Malting Services was invited to attend and give three presentations at the Wuhan BTA 20th anniversary seminar held on 25th and 26th October 2008. Around 200 people including representatives of China's brewing and malting industry along with current and past students attended the seminar.

The principal of the Academy Mr Gonjing Xu welcomed all attendees and described the development of the Wuhan Brewing Technical Academy since its inception in 1988.

Mr Gonjing Xu
Principal of Wuhan BTA

Wuhan BTA is the only institution of its type within China and provides students with brewing training closely allied to the German brewing syllabus. Within the facility it has state of the art pilot malting and brewing equipment.

Wuhan BTA is located on the Hubei Light Industry Institute campus and more information on its activities can be found at www.btawh.cn.

Dr Georg Lohmann
GMS Senior Director Raw Materials

Dr Georg Lohmann, Mr Michael Nierle and Dr David Griggs represented GMS. The GMS team gave well-received presentations covering the topics of malting barley development, malting plant design and food safety analysis.

Representatives of Krones, Seimens, Ziemann and Westfalia provided other presentations.
